grand ballroom

With its vaulted ceilings and versatility, the Grand Ballroom is perfect for groups of 80 to 300. The lighting is adjustable on three levels of recessed lights in order to accommodate any vision you have for your event or meeting. If you can imagine it, we can create it. This room has been set for corporate seminars, holiday parties, wedding ceremonies and receptions, and large galas. Located on the first floor, the Grand Ballroom is completely handicap-accessible.

bovey room

The Bovey Room is named for the lumber family who built Blaisdell Manor in 1915. Welcome your guests into this unique room complete with a wood-burning fireplace, natural woodworks, and rich burgundy leather furniture. The Bovey Room is ideal for cocktail hour functions of 20 - 85 people, luncheons and dinners for 10 - 50 people, and seminars or ceremonies up to 100 people. This room is also located on the first floor and is completely handicap-accessible.

windus room

The Windus Room is named for the family who owned the Blaisdell Manor from 1930 through the 1960's. They were also the first family to operate a bridal business here. The room is complete with a wood-burning fireplace, a wet bar, and a classic burgundy-covered pool table for your total relaxation. This wonderful L-shaped room is located on the second floor and is ideal for seminars, gatherings, or ceremonies for groups of 125 or less.

bridal suite

This comfortable space is located on the lower level of Blaisdell Manor and serves to provide a "getaway" for the bridal party. The room features private changing areas and vanities, as well as comfortable seating and tables.

the lounge

The most recent addition to Blaisdell Manor is The Lounge, which is located on the lower level of the venue. The room features another dancing area complete with a stage, wet bar, and additional cabaret seating for another 150 guests. The lounge flavor of the room is a stray from the rest of the mansion, where we have remained true to the Victorian splendor that is Blaisdell Manor. The Lounge provides an area that is unexpected and different from the rest of the facility.

board room

Ideal for meetings, luncheons, and dinners for 8 to 10 people, this formal board room is located on the first floor of Blaisdell Manor. The room is typically used during weddings and receptions as "Gift Central" to keep the presents and cards out of the main reception areas. The Board Room is also perfect to be used for a Children's Playroom during large family functions.
