

*Sarah and Chef Ben,*

*I want to praise and thank you for the perfect wedding reception! The food was delicious, beautifully presented and wonderfully served! We had so many complimentary comments!*

*Sarah, you were so calming and helpful. I especially loved how you took us upstairs to see how beautiful it looked and brought us a drink and appetizer. It was wonderful not having to think of the details - we were able to just enjoy the evening!*

*We will absolutely recommend you to our friends and family.*

*with appreciation,*
